DEWCO.com

Since 1974, DEWCO has been the experienced, reliable, family-owned, factory-authorized stocking distributor in the Rocky Mountain Region. Covering Utah, Montana, Wyoming, Colorado and New Mexico, we're here to keep your business flowing!

Water • Mining • Food & Beverage • Construction • Government • Oil & Gas
Healthcare • Agriculture • Cooling Towers • Boiler Treatment • + More

PULSAFEEDER®

- * Electronic diaphragm metering pumps
 - * Peristaltic metering pumps
- * Mechanical motor diaphragm pumps
- * Microprocessor-based water treatment controllers (boiler, cooling tower and timer)
 - * Pre-engineered systems
 - * NSF-61-certified products
- * Industry-leading brands include: Pulsatron, Chem-Tech, Mec-O-Matic, MicroTrac, MicroVision and more

Seametrics

- * Flow meters with telemetry and data logging
- * Mechanical and insertion meters (up to 72")
 - * Full bore magmeters (3/8" to 12")
 - * Turbine (3" to 6")
- * NSF-61 and IP68-certified products

+GF+

- * Chlorine analyzers
- * Batching systems
- * Monitoring and control for conductivity, pH/ORP, level, pressure, temperature and flow
 - * Ball and actuated valves
- * COOL-FIT pre-insulated piping systems

burkert FLUID CONTROL SYSTEMS

- * Process and control valves
- * Solenoid, pneumatic, butterfly and SS ball valves
 - * Sensors, transmitters and controllers
 - * Process actuation
 - * Networking
- * NSF-61-certified products

Since 1974 • 303.232.6861 • DEWCO.com •

- * Solenoid dosing metering pumps
- * Digital multifunction peristaltic pumps
- * Mechanical, diaphragm and plunger pumps
- * 4-20mA, digital pulse, timed dosage, pH/ORP control built-in

- * Hand held and inline instrumentation (for pH, ORP, conductivity, resistivity, free chlorine, dissolved oxygen, nitrate and temperature)
- * NIST standard solutions
- * Bluetooth enabled

- * Peristaltic metering pumps (Single and double head, variable speed programmable and flow activated proportional injection systems)
- * Mixers and tanks
- * NSF-61-certified products

- * Magmeters
- * Ultrasonic flow and level meters
- * Industrial hose pumps
- * Pressure relief and back pressure valves
- * Chart recorders, indicators and totalizers
- * Batching controllers
- * Tube and hose

- * Drum pumps
- * Air-operated double diaphragm Pumps (AODD) and metering systems
- * UL, CSA, Demko, 3A and FDA-certified products

- * ORP and pH electrodes and accessories
- * Biotech, pharmaceutical, laboratory municipal and industrial electrodes
- * OEM replacements

- * Fluid transfer, dispensing, dosing recovery and inventory control
- * Volume meters, hose reels, air-operated piston pumps and air-operated diaphragm pumps (including Directflo®)

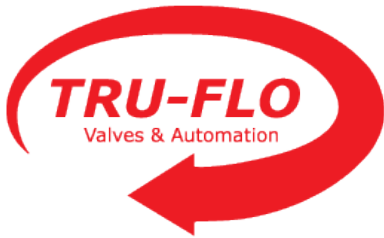

- * Polyethylene/plastic storage tanks and basins
- * Double-wall, vertical, conical, Horizontal and/or custom configurations

- * Tanks (water, chemical, vertical, dual-containment, etc.)
- * Secondary containment basins
- * Pump shelves (with covers)
- * NSF-61-certified products

- * Sanitary, butterfly and industrial ball valves
- * Direct mounting (no custom brackets)
- * Double o-ring protection

- * Sanitary pumps, valves, fittings, mixers and process skids
- * Centrifugal, impeller, rotary lobe, progressive cavity and flexible impeller pumps
- * Butterfly, diaphragm and ball valves
- * ISO 9001, CE, 3A, EHEDG, FDA and ATEX Standards

- * Sanitary pumps, valves and components
- * Brewing, distillation and fermentation systems
- * Centrifuges and separation equipment
- * Cleaners and sterilizers
- * Food processing systems
- * Membrane filtration
- * Compressors

- * Filtration solutions
- * SS filter housings and cartridges(304L or 316L)
- * Aftermarket filters and membranes
- * WQA, NSF-61 and ANSI certified products

- * Spill containment
- * Budget basins
- * Modular platforms, pallets and outdoor storage
- * IBC containment units

Vortex Force Aerators
Vortex Flow Inserts
